

SPRING MEDICINE

Hood's Sarsaparilla, the Great Blood Purifier, is the Best

Spring sickness comes in some degree to every man, woman and child in our climate.

It is that run-down condition of the system that results from impure, impoverished, devitalized blood.

It is marked by loss of appetite and that tired feeling, and in many cases by some form of eruption.

The best way to treat spring sickness is to take Hood's Sarsaparilla. This old reliable family medicine purifies, enriches and revitalizes the blood. It is an all-the-year-round alternative and tonic, and is absolutely the best spring medicine.

Get your blood in good condition at once—now. Delay may be dangerous. Ask your druggist for Hood's Sarsaparilla, and insist on having it, for nothing else can take its place.—Adv.

DEDICATE THE NEW TECH.

Addresses By Lodge, McCall, Lowell and McLaurin.

Boston, June 15.—Massachusetts Institute of Technology yesterday held the last graduating exercises in the buildings which have been its home for half a century. Later in the day its new \$10,000,000 plant in Cambridge was dedicated with exercises at which Senator Henry Cabot Lodge made the principal address. President R. C. McLaurin conferred 300 degrees upon members of the senior class. Among these were several Chinese students. Other graduates came from South Africa, India, Russia and Colombia.

CHILD SUFFERED UNTOLD AGONY

With Rash on Arms and Limbs. Burned and Itched Horribly. Disfigurement Was Awful.

HEALED BY CUTICURA SOAP AND OINTMENT

"My son was affected with a rash which covered his arms and limbs and annoyed him very much. The breaking out was in blotches which would burn and bleed, and the child suffered untold agony. The skin was very sore and inflamed and burned and itched horribly. He was cross and irritable and slept very little. The disfigurement was awful."

"I read a Cuticura Soap and Ointment advertisement and sent for a free sample. I noticed an improvement so I purchased more and after using the Cuticura Soap and Ointment for three months my boy was healed." (Signed) Mrs. W. M. Mann, Box 32, Syosset, L. I., N. Y., Sept. 24, 1915.

Sample Each Free by Mail With 32-p. Skin Book on request. Address post-card "Cuticura, Dept. T, Boston." Sold throughout the world.

NO CHANGE ON MEXICO

Wilson, Sticking to Policy, Will Soon Reply to Carranza

NO WITHDRAWAL UNDER CONDITIONS

Anti-American Demonstrations Still Growing—The Conditions Grow Worse

Washington, June 15.—Containing a rebuke to Carranza and a warning that American troops will not be withdrawn from Mexico until conditions there decidedly improve, the answer to Carranza's recent note will soon be dispatched by the United States. No change in Mr. Wilson's Mexican policy is forecast, and the suggestion of a commission to arbitrate the difficulties between the two governments has apparently fallen by the wayside. Anti-American demonstrations continue to increase south of the Rio Grande and Carranza control apparently is steadily weakening.

SHARP REPLY TO BE SENT.

Note to Carranza Will Repeat Determination of President.

Washington, June 15.—A sharp rejoinder is being prepared to the Carranza note. It will repeat the determination of President Wilson to keep American troops in Mexico until the Carranza forces have shown their ability and intention to properly police the border states. It is also to rebuke the de facto government for the suggestions and statements in its note, its questioning the good faith of the Washington administration. Some officials regard parts of the note as insulting to a degree not to be tolerated, and if their advice is followed its author will be called to sharp account.

Secretary Lansing has had before him a mass of data dealing with the assertions of fact set up by the Mexican note. He expects to be able to refute most of these statements, and the daily crop of messages from Mexico telling of new disturbances will supply additional evidence that the de facto government does not in fact exercise the control it claims over the border states.

Young Men Released.

Malden, Mass., June 15.—Harold Mead and Harold Shaw, the two boys who had been held in connection with the investigation of the murder of Loretta Wakelin, a school girl, at Melrose on June 1, were released from custody yesterday. Police officials explained that investigation failed to substantiate the "confession" of young Mead, and had supported Shaw's claim of an alibi.

SONNINO TO KEEP POST IN NEW YORK CABINET

General Morone, Minister of War, to Retain Portfolio Under Paolo Bosselli.

Rome, June 15.—Baron Sidney Sonnino, Italian minister of foreign affairs, and General Morone, minister of war in the Salandra ministry, are likely to retain their places in the new ministry which will be formed by Paolo Bosselli at the request of King Victor Emmanuel. None of the others is expected to be reappointed. Their places will be taken by representatives of the forces which compelled the Salandra resignation.

NORWICH UNIVERSITY

Leon Ryder of Senior Class Designated to Be Second Lieutenant.

Captain Leon Ryder of the senior class will enter the United States army as second lieutenant without examinations.

On June 13th, Colonel Ira L. Reeves, president of Norwich university, received the following telegram from General McCain, the adjutant general of the army: "Institution under your control designated 'Distinguished Military College, 1916.' Submit name of honor graduate, 1916, for appointment as second lieutenant. Candidate must be unmarried and between 21 and 27 years of age."

For a number of years "honor graduates" from Norwich university have secured commissions in the army without examination, when vacancies have existed; and the above wire is a continuation of past privileges.

Capt. Leon E. Ryder, who commands Troop C, has been designated as the honor graduate. He comes from Portland, Me., but has been a member of the Vermont National Guard (1st squadron of cavalry) since 1912. Captain Eugene Adams of Bellows Falls, who commands Troop D, has been designated as alternate.

Norwich university is the pioneer military college of the United States, West Point alone excepted. It has been continually military since 1819. It is also the pioneer in several scientific courses, including civil engineering. The first Plattsburg camp was conducted by Norwich university nearly one hundred years ago. It conducted similar camps during the Civil war for the training of officers. Beginning July 1, it will open three camps, one for business men, one for college students, and one for high school under-graduates. The membership will be limited, but its facilities are most excellent, and it will be the only camp in the United States having one instructor for every ten in attendance. The camp will be under the command and supervision of officers of the United States army.

AUTOMOBILE MERGER OFF.

Dropped "Because of Complications," Willis Says.

New York, June 15.—The proposed \$200,000,000 consolidation of automobile concerns has been abandoned, for the present at least, John N. Willis, president of the Willis-Overland company, has announced. Mr. Willis declared that complications had arisen which frustrated the plans for the combination of various companies, but declined to make public any details.

BAD BEATING FOR GODDARD

Barre A. C. Walked Away with Game by Score of 9 to 2

FOWLIE PITCHED CLEVER GAME

Struck Out 14 Men and Shepherded for Goddard Struck Out 13 Batters

If anyone should ask about the B. A. C. and Goddard game yesterday nearly every fan would say it was "too much Fowlie." This youngster certainly earned a "rep" if a ball player ever earned one, having the Goddard sluggers at his mercy at all stages of the game, allowing but three scattered hits, two of these being of the very scratchy order and the other a short single by Shay. He turned 14 back to the bench by the knockout route. While Fowlie pitched wonderful kind of ball, he couldn't be credited with all the glory, for Shepard, his rival, pitched a classy game, causing 15 of the B. A. C. batsmen to whiff the breeze and allowing only six hits, but these came when hits meant runs, and combined with the disastrous errors of his teammates, caused Goddard's downfall.

In the field the B. A. C. played circles around the schoolboys, making fewer errors and playing a faster game in all departments. The only man to slip was Johnston, who had a bad day in the field, making three miscues, while Hoernle and Willey seemed to have the pep for the Goddard outfit, Willey digging two especially hard throws out of the dirt from across the diamond.

The music started after Stuart had swung at a couple of wide ones, fouling a few more and ending up by getting a pretty single in left. Claire followed with another safe blow, sending Stuart to second. Laird looked a couple daisy ones over and then rapped one to Conner, who threw Claire out at second, giving Laird first on the play. Jack Davidson tapped a long fly to Quinn, who thought the ball ought to fall into his hands without any physical effort on his part, and he let the horsehide go through his paws, letting Stewart pass over the rubber for the first tally. A few minutes later three more crossed the plate when Shepard made an error on Johnston's grounder and in the mixup the Goddard boys got to throwing the ball around at random until the bases were cleared. After this, Shepard seemed to pull together and fanned Tommy Davidson and Peduzzi. The third did not bring anything to either team, but in the third Faulkner reached first by an error on Johnston, stealing second and coming home on a long sacrifice fly by Conner. In the fifth the B. A. C. bunch started more trouble for the boys on the hill. G. Fowlie drew a pass and went to third when Stuart labeled one of Shepard's shots a two-bagger and came home on Faulkner's error. Claire hit one to the infield and reached first when they tried to cut Stuart off at third and failed. A minute later Jim Laird hit another infield grounder, Stuart making home ahead of the ball and Laird was safe on the initial station. Davidson's hit to left center scored Claire, Laird taking third on the play and he came home when Johnston was thrown out by Faulkner. This ended all scoring for this inning but the Athletics pushed one over again in the sixth when Tomasi drove a single into the outfield, stealing second and advancing on Fowlie's single and scoring when Shay muffed up G. Fowlie's infield hit. After this the Goddard team played better ball, allowing none of the B. A. C. team to be in the danger zone.

None of the schoolboys got within scoring distance after the third until the seventh, when Keefe reached first on an error by Johnston, taking second after Fowlie donated a pass to the first sack to Quinn, going to third on Hoernle's scratch hit and scoring on Willey's sacrifice fly to Laird. This ended the scoring of both teams; while they both had men to reach first, neither could come across with the punch to send a man home. The score:

Runs made by—Stuart 2, Laird 2, Claire 2, Davidson 2, G. Fowlie, Tomasi, Faulkner, Keefe. Two-base hits—Stuart. Sacrifice flies—Willey, Conner, Stein, base—Faulkner, Hoernle, J. Davidson and Tomasi. First base on balls—Off Shepard, off Fowlie 3. Struck out—By Shepard 13, by Fowlie 14. Hit by pitched ball—R. Fowlie, Keefe. Umpire—Kelleher. Time of game—2:00.

Notes of the Game.

Yesterday seemed to be knockout day at the Goddard campus. Twenty-seven strikeouts is not a bad day's work for two pitchers.

Willey picked a couple of bad ones out of the dirt.

At times the Goddard team showed lots of class and at other times seemed dead to the world.

Stuart was credited with the only extra base blow of the game.

While Shay struck out twice, he made two-thirds of the Goddard hits.

The Goddard team will play against the I. A. C. for the fifth time this season next Saturday.

FAVORS BIG ARMY BILL.

Appropriation Measure Carrying \$137,000,000 Ordered Favorably Reported.

Washington, June 15.—A favorable report was ordered by the House military committee yesterday on the annual army appropriation bill, carrying \$137,000,000. It makes provision for the increase and changes authorized by the new reorganization law, and includes \$500,000 for civilian training camps.

SAVE YOUR HAIR AND KEEP YOUR JOB

Says Men Are Paying More Attention to Hair Than Ever Before

Tens of thousands of men are losing their hair daily and ignoring the fact. Many a man has lost his job because he lost his hair.

Dust and dirt make dandruff and dandruff makes heads bald and bald heads are the first to go when business is poor.

Wash your hair at least once a week with any pure soap and frequently apply Parisian Sage, rubbing it thoroughly into the scalp.

Parisian Sage will save your hair and promote a healthy growth; it quickly removes every trace of dandruff, banishes scalp itch and makes your head feel fine.

The cost of a large bottle is trifling, but the benefits are very great, as every druggist well knows. The Red Cross Pharmacy cheerfully guarantees Parisian Sage to you.—Adv.
